

Dynamic Modular Constructions is a trusted name in the manufacturing of modular office spaces in Australia. We specialise in designing, manufacturing and delivering a wide range of modular professional spaces for both local and remote operations. Our range of products includes site sheds and offices, lunchrooms and amenities blocks, toilet and ablution blocks, meeting and training rooms, ticket booths and much more.

## Purpose

We take pride in being a family owned and operated business that works to provide high-quality modular buildings designed to serve a variety of industries. No matter how remote, we believe every work environment should have comfortable and productive workspaces that appreciate the needs of your important personnel.

## Industries We Serve

Our client base is diverse, simply because our prefabricated modular buildings can serve many purposes. Also, our design team can craft performance spaces that will meet your unique needs. Here are the industries we serve:

- › Mining
- › Renewable Energy
- › Council
- › Construction
- › Education
- › Defence
- › Maritime
- › Utilities
- › Agriculture
- › Commercial
- › Manufacturing
- › Sports grounds

## Capabilities

Dynamic Modular can design and build professional spaces to meet the demands of your company. Our prefabricated spaces come with all the amenities you will need to maintain safe and productive environment for your operations, no matter how far afield. Buildings are delivered with all fixed inclusions and are fully insulated, wired, LED lite, air-conditioned and more.
